

## Production Operator

### Job Description:

You will work as part of a team in Craftpak's manufacturing facility operating and assisting a range of machinery and tools to produce corrugated packaging products, while playing an integral role in factory operations from incoming deliveries to organising goods for transportation.

Craftpak is committed in helping it's members to integrate into their role and to develop further. Craftpak provides an environment to learn and to gain valuable industry skills & knowledge in material handling, production & factory workflow.

### Attributes that we look for in candidates:

- Speaks & understands English
- Preferable machine operating experience
- The ability to pick up new skills quickly
- The willingness to learn
- Can work as part of a team
- Can take direction and instruction
- Can take initiative

If you have the personality & skills for this position we want to hear from you.

Please send your resume to our Production & Operations Manager at the following email address, **Anthony@craftpak.ie**
